The Honorable Michael Giordano, Jr.  
Mayor of North Plainfield  
263 Somerset Street  
North Plainfield, New Jersey 07060-4846

Dear Mayor Giordano:

During the month of June, the Somerset County Recycling Division, in conjunction with other Public Work Divisions, will again be picking up food from the County residents. June is considered "Curb Hunger" month, and the food will be utilized by the local food banks.

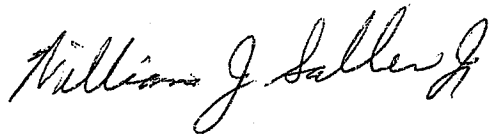

During the past fourteen years, we have been very successful. During that time, a number of municipalities assisted the County employees. Naturally, this is an added burden and all the assistance we can obtain is most welcome. We certainly would appreciate any cooperation we might receive from your Public Works Department.

The program is scheduled for the period June 1, 2009 through June 26, 2009. There will be two collections in each municipality at the same time of the scheduled pick-up.

In order to help us, please have a representative of your Public Work's Department, or a designee, contact us by May 26, 2009. For further information they can contact myself, or Buddy Hope at 732-469-3363.

Sincerely,

A handwritten signature in cursive script that reads "William J. Saller, Jr.".
